**1** ACTIONS MENU

Shortcut icons allow you to edit

cost items and import items from other sources such as Excel.

## 2a CBS TREE FILTER MODE (DROP-DOWN)

Shows the CBS hierarchy and can quickly filter cost items. Choose between a filter mode or a new navigation mode.

# 2b CBS TREE FILTER OR NAVIGATION MODE

Gives you visibility to your CBS structure and the option to navigate and filter the CBS estimate.

## **3** LEFT CBS REGISTER

This side contains all the estimate activities (cost items) that you create or import, organized into a parent-child hierarchy.

# RIGHT CBS REGISTER

This side of the register contains columns for cost detail, production values, and user-defined tags and fields.
