

## **INEIGHT EDUCATION & TRAINING TEAM QUARTERLY UPDATE**

We've been busy! Please see below some of the exciting new content and initiatives now available in the [InEight Knowledge Library](#), [InEight U](#), and the new [Education and Training SharePoint Portal](#).

### **INEIGHT KNOWLEDGE LIBRARY**

This quarter, we've made some exciting updates to improve customer experience. This includes embedded video links within articles and featured snippets for popular search results. You'll also find [new topic articles](#) for a number of Document (New UI) modules: Gallery, Tasks, Checklists, Vendor Data and Bluebeam.

### **LEARNING PATHWAYS**

Want to learn more about one of our products but not sure where to start? Take a look at our new Learning Pathways. You'll find this content as well as consultant trainer resources located in our new [Education and Training SharePoint Portal](#).

### **LOOKING FOR NEW VIDEOS?**

Here is the latest video that has been added to our Doc (New UI) channel:

- [InEight DOC \(New UI\) Conducting Mail Reviews](#)

## INEIGHT U REVAMP

Notice anything different? Our InEight U website has been rebranded and our certifications and courses have been given a fresh new look! A key initiative for this quarter has been revamping all of our InEight U content. If you haven't already completed these courses, click below to enroll in one of our revised certifications or courses.

- [Estimate/Control](#)
- [Plan/Progress](#)
- [Change/Contract](#)
- [Document Administration](#)

We also have seven new courses available for the InEight Document Enhanced UI:

- [InEight DOC Mail Essentials](#)
- [InEight DOC Document Register Essentials](#)
- [InEight DOC Transmittal Essentials](#)
- [InEight DOC Form Essentials](#)
- [Getting Started Webinar 2021](#)
- [Mail Essentials Webinar 2021](#)
- [Document Essentials Webinar 2021](#)

## WHAT'S COMING UP?

Over the next six months we'll be working on our Next Gen approach to instructor-led training, creating new content to reflect UI updates, investigating further opportunities for In-App learning, and continuing our partnerships with other teams to further extend and deepen adoption across our solutions.
